FOREIGN BROADCAST INFORMATION **SERVICE** SAIGON BUREAU

AMERICAN EMBASSY SAIGON, VIETNAM

1 9 ; E

APO 143 SAN FRANCISCO, CAL.

4 August 64

TO:

Chief, FBIS

FROM:

Chief, Saigon Bureau

SUBJECT: Monthly Progress Report - July 1964

I. GENERAL

The month saw no dramatic change in the situation locally, although Viet Cong attacks close to Saigon and rumored disaffection between General Khanh and his close lieutemants were causing concern at the close of the month. The black-market piaster rate climbed to 125-140 piasters to the dollar, against the legal rate of 72.77. U.S. civilian employees are the principal sufferers, since the military are patronizing the black market with apparent impunity.

The Ambassador asked U.S. civilian agencies to remain open for regular business 44 hours a week commencing 1 August -for four hours Saturday morning in addition to the regular workdays. Saturday has been a regular workday for us anyway, so our hours of operation need not change. However, the Embassy reports it is placing all its local employees on a 44-hour week, paying regular hourly paym not overtime, for hours worked above 40. If other civilian agencies in Saigon follow suit, the Bureau may feel obligated to go along.

II. **OPERATIONS**

Heavy demands on Vietnamese-French monitorial time have recently been met in part by the employment on an hourly basis of a young monitor taken from us by the draft last year. On completion of an officers! training course, was assigned to teach English at the ARVN language school in Saigon. He now has free weekends plus a need for extra money, so the arrangement is working out well.

III. ADMINISTRATION

sing

The half of the duplex vacated by the was completely renovated by the Embassy maintenance staff before an Embassy officer and his family moved in early in July. The old, rusted plumbing system was torn out, and new pipes, water pumps, heaters, and so forth were installed. A new, modern kitchen was added, and new lighting fixtures, including outdoor security lights, were installed. The same renovation procedures are planned for the other half of the duplex as soon as it is vacated and before the new Bureau Chief moves in.
